Request Information
Request Description
The system should conform to legal age restrictions. Users below the age of 18 should be required to provide parental consent or be unable to access sensitive topics altogether.
Justification
Some topics are necessary to experience, so we should restrict them with age restrictions.
Effect if declined (Risk if the project request is declined)
There are many young people whose age is not appropriate and who can be affected emotionally. We must prevent these.
Request Alternatives (if exists)
The age restriction may be reduced to +16 in some topics.
